1) Part-time Team Members must work on average 30 or more hours per week during Initial Measurement Period to become eligible for most benefits on the first day of the sixth month of employment (see page TBD for details). To continue eligibility, part-time Team Members must work on average 30 or more hours per week during Standard Measurement Period (see [page 5](#) for details).

2) 401(k) Team Member contributions eligible for discretionary Company matching contributions begins on your one year anniversary if you worked 1,000 or more hours. Otherwise, contributions eligible for discretionary Company matching contributions begin on January 1 following a calendar year in which you worked 1000 or more hours. See [page 40](#) for more information.

## Meet ALEX®, Our Online Benefits Counselor

When it comes to choosing health plans, everyone has different priorities, such as weekly contributions, choice of in-network providers and cost of care. ALEX is our interactive benefits counselor who will explain your benefits in easy-to-understand language.

ALEX can provide details and answer questions about the following benefits: medical, dental, vision, health savings account (HSA), Healthcare FSA and Dependent Day Care FSA.

## Personalized to Every Team Member

Unlike one-size-fits-all solutions, ALEX engages every Team Member individually with tailored benefits advice.

ALEX can help you choose the benefits and coverage options that will meet your needs and your budget. Because ALEX is available online around the clock, it's easy to access Alex on your schedule from any web-enabled device.

## Higher Learning with ALEX

Benefits ownership is not about getting an insurance education. It's about finding the right plans and using them effectively. ALEX, your own personalized and interactive benefit counselor, can help.

## Three Things to Know About ALEX

1. **It's personalized**, so you can see which plans make the most sense for you.
2. **It's confidential**, so you get the guidance you need and can decide how much or how little personal information you want to include to determine the best benefits for you.
3. **ALEX is NOT the online enrollment system.** Once you have reviewed your benefits with ALEX, you must enter your elections into the online enrollment system to complete your enrollment.

## Get Started Using ALEX

To start a conversation with ALEX go to:  
<https://www.myalex.com/albertsons/2023/unitedbenefits>.

You can also access more benefits resources at  
[unitedfamilybenefits.com](https://www.unitedfamilybenefits.com).

## Plan It. Own It. Live It.

### Plan it

Set aside time to review and select your benefits. Think about the coverage you and your family will need.

### Own it

Invest time to read this Guide and access ALEX, our online benefits counselor, to help you choose the best plans for you. It's up to you to make sure you're enrolled in the benefits that you want. Selecting the right benefits for your situation can help you save money in 2023.

### Live it

Make the most of your benefits. Take advantage of preventive care checkups and special programs and resources to help you manage your health and live your best life.

## Eligibility and Coverage

### Who Is Eligible?

Team Members working 30 or more hours per week<sup>1</sup> are eligible for The United Family benefits on the first day of the month following 30 days from date of hire if you enroll within 30 days of your coverage effective date.

1. Some variations apply for pharmacists and Hawaii Team Members.

### Whom Can You Cover?

- Your spouse
- Your same-sex or opposite-sex domestic partner — if you cover a domestic partner, the cost of coverage may be taxable due to IRS rules.
- Your child(ren) up to age 26 — eligible children include your biological children, your spouse or domestic partner's biological children, adopted children, stepchildren and legal wards.
- Your disabled child(ren) age 26 and older who:
  - became disabled prior to turning age 26;
  - is primarily dependent on you for support;
  - is enrolled in an Albertsons medical plan (or another major medical group health plan) on the day immediately prior to attaining age 26;
  - is incapable of self-sustaining employment because of medical or physical disability; AND
  - had an application for extended coverage as a disabled dependent child made within 31 days after reaching the age limit of 26 or being enrolled in the Medical Program.

You must complete the dependent verification process for all newly added dependents. See After you enroll on [page 7](#) for details.

## Spousal/Domestic Partner Surcharge

If you choose to cover a spouse or domestic partner who has access to medical coverage through his or her employer, you will be charged an additional \$30 per week. You will not pay a surcharge if your spouse or domestic partner:

- Does not work
- Is a United Team Member
- Has coverage available from Medicare
- Is employed but does not have access to employer medical coverage
- Is self-employed

## Benefits Eligibility for Part-time Team Members

Under the Affordable Care Act (ACA), employers must offer Team Members the opportunity to enroll in benefits if they meet certain qualifications. In most cases, hourly Team Members must work 30 or more hours per week to be eligible for The United Family benefits.

## New Hire Initial Measurement Period

For part-time new hires, an Initial Measurement Period (IMP) applies. After 17 weeks from an Team Member's hire date, the average hours worked is calculated. If the average hours worked is 30 or more during the IMP, a new hire is eligible for benefits from the first of the sixth month of employment through the end of the plan year (December 31) if enrolled during the designated enrollment period.

## Standard Measurement Period (SMP)

The United Family evaluates hours worked to determine benefits eligibility on an annual basis. Our Standard Measurement Period (SMP) begins on or about October 1 of the prior year and ends on or about September 30 of the current year. The SMP applies to all hourly Team Members. Hours worked includes paid vacation or paid time off (PTO) taken plus credited hours for certain approved leaves of absence.

If the average hours worked is 30 or more during the SMP, you are eligible for benefits through the following plan year (January 1—December 31) if you enroll during your designated enrollment period.

## Tracking Your Hours

To determine eligibility for benefits, you can track your hours throughout the measurement period by looking at the hours reported on your payroll checks. You may also email the Benefits team at [totalbenefits@unitedtexas.com](mailto:totalbenefits@unitedtexas.com) for help with tracking your hours.

To calculate your average hours per week, add up the number of hours you worked each week, then divide that number by the number of weeks in the measurement period.

### Example: Calculating Part-time Eligibility

John is a non-union hourly Team Member who works at an The United Family store part-time as a Grocery Clerk. John was hired on November 22, 2022, and his standard hours in Kronos is 24. John worked a total of 554 hours between his hire date and March 18, 2023 (17 weeks) for an average of 32 hours per week.

Based on John's average hours worked, he is eligible to enroll in benefits effective May 1, 2023, through December 31, 2023.

# How to Enroll

- 1 Review your benefit options carefully.
- 2 Think about what you might need for the planned and unplanned events in your life.
- 3 Elect coverage that fits you best—try ALEX (see [page 3](#)) to get a recommendation!

Gather birth dates and SSNs of dependents.

- Go to [UnitedFamilyBenefits.com](https://UnitedFamilyBenefits.com)
- Follow the instructions link on the homepage in order to login
- If online enrollment is not available, [Complete the Manual Form](#).

Once you have completed your enrollment, be sure to **PRINT YOUR CONFIRMATION FOR PROOF OF ENROLLMENT**. If there is a discrepancy in your enrollment elections, a copy of your confirmation statement will be required.

Watch your home mailbox for member ID cards and debit cards (if you enroll in medical coverage, open a Fidelity HSA or enroll in a healthcare flexible spending account).

## Want More Information?

Visit the benefits website at [UnitedFamilyBenefits.com](https://UnitedFamilyBenefits.com).

If you have questions or need assistance, call the Benefits team at **888-791-0220**.

## After You Enroll

If you are enrolling new dependents under your medical, dental or vision coverage, you must submit documentation verifying their eligibility for coverage under United plans.

Download a [Dependent Verification Requirements Flyer](#).

Completed verification documents can be submitted with a cover page that includes your name, Team Member ID, last four digits of your SSN and daytime telephone number. You can:

- Mail the cover page and verification documents to:  
United Supermarkets  
Attn: Benefits Dept.  
7830 Orlando Ave  
Lubbock, TX 79423
- Fax the cover page and verification documents to **806-791-6341**.
- Email documents to [totalbenefits@unitedtexas.com](mailto:totalbenefits@unitedtexas.com)

All verification documents must be submitted within 60 days of your coverage effective date, or your dependents will be dropped from coverage as of your coverage effective date.

## Watch for ID Cards and Debit Cards in the Mail

- **Medical**—you will receive ID cards from the insurance carrier if you are enrolling in a plan for the first time or you are changing plans.
- **Pharmacy**—you will receive a pharmacy ID card from MedImpact if you enroll in the EPO Network Plan, HSA Plan or PPO Plan.
- **Dental**—you will receive a dental ID card from Delta Dental if you enroll in a dental plan for the first time or you change dental plans during Open Enrollment.
- **HSA**—if you enroll in the HSA Plan and you open a health savings account with Fidelity, you will receive an HSA debit card.
- **Healthcare FSA**—if you enroll in a healthcare flexible spending account (HCFSA), you will receive a debit card from Navia.

## Enrolling a Domestic Partner?

If you are enrolling a domestic partner as a dependent for medical, dental and/or vision coverage, you must submit:

- A completed and notarized Affidavit of Domestic Partnership
- Proof of joint financial dependency by providing one of the following with both names on the document:
  - Mortgage statement
  - Rental/lease agreement
  - Credit card statement
  - Bank statement
  - Property tax statement from last 12 months

## When Coverage Begins

### Full-time New Hires

Coverage begins the first of the month following 30 days of employment provided you enroll within 30 days of your coverage effective date. For example, if Rose's first day of work is March 1, she is eligible for coverage to begin April 1. However, if Rose starts March 5, her coverage will not begin until May 1.

### Part-time New Hires Who Meet the Requirements of the Initial Measurement Period

For part-time new hires who satisfy the requirements of their initial measurement period (see [page 5](#)), coverage begins the first of the sixth month of employment

### If You Don't Enroll?

**For benefits-eligible new hires**, if you do not enroll by the deadline, you will only have Basic Life and AD&D insurance and short-term disability coverage. You will also have access to the Employee Assistance Program (EAP) and myStrength and can enroll in MetLife pet insurance and Fuzzy pet veterinary telehealth. You will not have medical, dental, vision and other important coverages.

**During Open Enrollment**, if you do not enroll by the deadline, you will remain in the same plans you are currently enrolled in, EXCEPT your health savings account goal and flexible spending accounts. Per IRS rules, you must enroll in flexible spending accounts and elect an HSA goal amount each year.

## Qualifying Life Events

- Change in employment status, such as part-time to full-time (will have 31 days to enroll)
- Birth/adoption of child
- Marriage
- Divorce/legal separation
- Gain/loss of other coverage for you or a dependent
- Beginning/end of domestic partnership relationship
- Death of a spouse, domestic partner or dependent
- You or a covered dependent becomes eligible for Medicare or Medicaid

## Life Changes

Life happens and sometimes you need to make benefit changes outside of Open Enrollment.

If you experience a qualifying life event, you must notify the Benefits team within 31 days of the event (60 days for medical changes due to Medicaid or CHIP changes). The changes you make must be consistent with the event.

## Dependent Verification

If you are enrolling any dependents on your insurance, you must verify their dependent status in order for them to be covered on the insurance. You can send in one of the following to verify dependent children or step-children:

- Birth certificates
- Verification of birth facts document
- First page of 1040 tax form (if claimed on taxes)
- Court documents for legal guardianship
- Adoption certificates

You can send in one of the following to verify your spouse or domestic partner:

- Marriage certificate
- Common law marriage certificate
- Affidavit of domestic partnership
- First page of 1040 tax form (if filed jointly)

**Verification of your dependents MUST be received within 60 days of the effective date of coverage. If the verification is not received, your dependents will not be covered on the plan.**

You can fax your documentation to (806) 791-6341 or email [totalbenefits@unitedtexas.com](mailto:totalbenefits@unitedtexas.com). Please include your Team Member number and name.

## Working Spouse Surcharge Reminder

If you are covering a spouse the medical plan, please see the Working Spouse Surcharge box on [page 7](#) for important information.

# Health and Well-Being

Enjoy happiness and life satisfaction

## Medical

Our medical plans are designed to give you the options you need to manage your health the way you want. In most locations, you can choose from three national medical plans administered by Blue Cross of Idaho (BCI). Depending on where you live, you may be eligible for one or more regional medical plans.

Medical Plan	Description
EPO HP-Network Plan	<p>This plan exclusively covers you for in-network doctors and facilities. The EPO HP-Network Plan covers care if you live in one of 68 Blue HPN markets in 2023. Providers in the Blue HP network provide quality, affordable care and are committed to meet high healthcare standards and improving outcomes. If you are traveling or have a dependent away at school in an area with HP network providers, care is covered when you use HP network providers. If you or your dependents are outside of an HP network area, care is only covered in case of an emergency.</p> <p><b>High performance network locations:</b> <a href="#">Click here</a> for a list of Blue HPN markets available in 2023.</p>
EPO Network Plan	<p>This plan exclusively covers you for in-network doctors and facilities. Except in the case of an emergency, you'll pay the full price for any out-of-network care. If you do not live in a high-performance network location, you will be offered the EPO Network Plan. The EPO Network Plan uses the national PPO network.</p>
HSA Plan	<p>The HSA Plan is a PPO plan that uses the same provider network as the PPO Plan through Blue Cross of Idaho. You can see both in-network and out-of-network providers without a referral, but keep in mind staying in-network for care will almost always be less expensive. To help with your share of costs, this plan gives you the option to participate in a Health Savings Account (HSA).</p>
PPO Plan	<p>You can see both in-network and out-of-network providers without a referral, but keep in mind staying in-network for care will almost always be less expensive.</p>

## Basic Lingo

Here are a few benefit terms to know as you compare your medical plan options.

### Coinsurance

Once you pay the annual deductible, you and the plan share the cost of covered expenses, up to the out-of-pocket maximum. Coinsurance is usually expressed as a percentage; for example, if your insurance plan pays 80 percent of an eligible expense, you're responsible for paying the remaining 20 percent.

### Contribution

Your contribution (also called a rate or premium) is the amount of money deducted from your paycheck to pay for your Albertsons benefit coverage.

### Copay

A copay is a flat fee that you pay each time you go to your doctor or fill a prescription.

### Deductible

The annual deductible is the amount you pay out of your own pocket for covered medical services before the plan begins to pay benefits. For certain services like preventive care, you do not have to pay the deductible amount before the plan begins to pay benefits. The deductible resets each January 1. **Note:** If you cover a dependent under your medical plan, review [page 16](#) for more information.

### EPO

EPO stands for Exclusive Provider Organization. An EPO covers you when you use in-network doctors and facilities. Except in the case of an emergency, you'll pay the full price for any out-of-network care.

### HSA

HSA stands for Health Savings Account. The HSA Plan uses a PPO which means you can use both in-network and out-of-network providers without a referral, but staying in-network will almost always cost less. To help with your share of costs, the HSA plan gives you the option to participate in a Health Savings Account ([see page 28](#)).

### Network

Our medical plans use a network of physicians and facilities contracted by Blue Cross of Idaho (or by regional medical plans in certain areas) to provide services within negotiated price limits. You and Albertsons both pay less when you choose in-network providers. See [page 17](#) to find a BCI network provider in your area.

### Out-of-Pocket Maximum

The annual out-of-pocket maximum (OOPM) is the most that you have to pay for covered healthcare expenses (out of your pocket) in a calendar year before the plan starts to pay 100 percent of covered expenses. Deductibles, copays and coinsurance count toward the out-of-pocket maximum.

### PPO

PPO stands for Preferred Provider Organization. With a PPO, you can use both in-network and out-of-network providers without a referral, but staying in-network will almost always cost less.

1) The family deductible must be met before any person receives benefits.

2) Coinsurance you pay after you meet the annual deductible unless otherwise noted.

3) Annual deductible waived.

4) As specified in essential health drug list.

5) Includes additional preventive drugs based on a formulary.

# Choosing the Right Medical Plan

---

Coverage under the plans is similar.

The difference is how you prefer to pay — less up front and more when you get care or more up front and less when you get care.

---

Only the HSA Plan allows you to open an HSA.

If you want to save for healthcare expenses tax-free\* in an HSA, consider the HSA Plan.

---

The HSA Plan has an aggregate deductible. The EPO Network Plan and the PPO Plan have an embedded deductible.

This is important if you're covering dependents. With the **HSA Plan**, you must pay the entire family deductible of \$4,000 before the plan shares costs with you for any covered family member. See [page 16](#) for more information on the two types of deductibles.

If you want lower your taxable income and contribute to a Health Savings Account via payroll deduction and pay less in paycheck premiums than the PPO Plan, the HSA Plan may be a good option for you.

---

The EPO Network Plan or EPO HP-Network Plan has the lowest paycheck premium for Team Member only coverage and has fixed out-of-pocket costs for basic services.

The EPO Plans offer copays for basic services and might be a good option for you if you are single and generally healthy, and you don't mind getting all of your care from EPO network providers.

---

EPO plans do not cover out-of-network services, except in the case of emergency.

Out-of-network services are not covered in EPO plans, so it is important to check whether your preferred providers are in-network before choosing one of these plans.

---

The PPO Plan allows you to see providers in and out-of-network but you pay higher paycheck premiums.

The PPO Plan has lower annual deductibles. If you use healthcare services frequently and would rather pay more up front in paycheck premiums and less when you need care, the PPO Plan may be a good option for you.

---

\* State income tax applies in CA and NJ.

**Ask alex**

Can't decide which medical plan is best? You don't have to make your enrollment choices alone. ALEX, our online benefits counselor, is here to help. See [page 3](#) to learn more.

## Prescription Drug Coverage

Prescription drug coverage helps pay for prescription medications purchased from any of our 1,700+ Company-owned pharmacies or a participating network pharmacy.

**MedImpact** is the pharmacy benefit manager for the BCI medical and certain regional plans. You will receive a prescription drug ID card from MedImpact, which is separate from your medical ID card, mailed to your home.

All Company-owned pharmacies are staffed with highly trained pharmacists and pharmacy technicians who treat your health with care and confidentiality.

MedImpact network pharmacies are only covered if the pharmacy is more than 10 miles from a Company-owned pharmacy. If you need help with finding a network pharmacy, please contact MedImpact at 888-402-1984.

## What's a pharmacy benefit manager?

A pharmacy benefit manager manages the prescription drug benefits included in a medical plan.

## Specialty Medications

Our in-house **Specialty Care services** are available to help you fill prescriptions for select specialty medications. Specialty medications are for complex diseases like HIV, mental health, autoimmune disorders and cancer. If this applies to you, your pharmacist will connect you with our Specialty Care team.

## Things to Consider

The cost of your prescription depends on whether the drug is considered specified preventive, generic, brand preferred or brand non-preferred.

- **Specified preventive drugs:** These are drugs specified on the essential drug list covered at 100% if filled at a Company or MedImpact network pharmacy. If you are enrolled in the HSA plan, additional preventive drugs are covered at 100% based on a formulary.
- **Generic drugs:** These drugs are sold under the drug's chemical name and contain the same active ingredients and equivalent strength and dosage to the brand-name equivalent.
- **Brand preferred drugs:** You pay a lower copay for brand preferred drugs on the drug formulary compared to brand non-preferred drugs that are not on the drug formulary.
- **Brand non-preferred drugs:** You pay the highest copay for brand non-preferred drugs that are not on the drug formulary.

# Annual Deductible

## How It Works If You Cover Dependents

### Aggregate Deductible

The **HSA Plan** has an **aggregate deductible**. This means that the entire family deductible must be met before the plan shares costs with you for any covered family member.

### Embedded Deductible

All of our other medical plans have an **embedded deductible**. This means once a covered family member meets the individual deductible, the plan begins sharing costs with you for that family member. Charges for all covered family members will continue to count toward the family deductible. Once the family deductible is met, the plans share costs with you for all covered family members.

# Find a Network Provider

Go to <https://members.bcidaho.com>

- 1 Click on **Albertsons companies, including Jewel-Osco and Safeway, you can find a provider here.**
- 2 Click on the network dropdown list and select the name of your medical plan to find providers in your area.

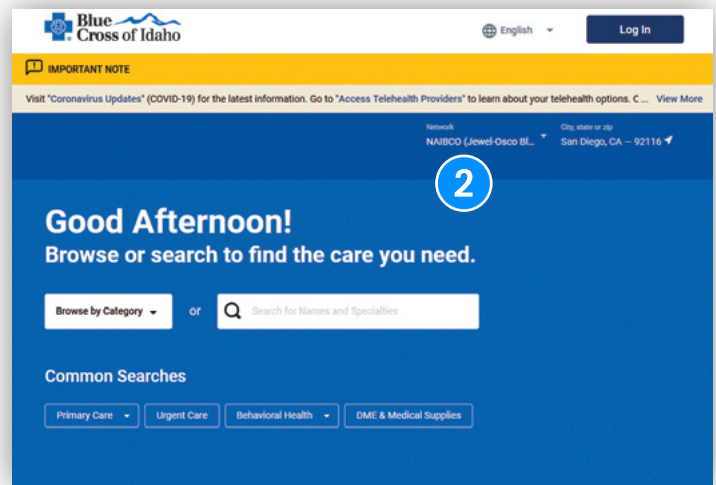

## Active Team Member Plans

### Select the Medical Plan Name to Find Network Providers

- PPO Plan
- EPO Network Plan
- EPO HP-Network Plan
- HSA Plan

## Find BCI In-Network Providers

If you enroll in a BCI medical plan in 2023, you can find in-network providers in your area on the BCI website. To find in-network providers, you must select the name of the medical plan you choose for 2023 on the provider finder page.

## Telemedicine – Convenient and Affordable Expert Care

Through Teladoc, Blue Cross of Idaho Medical Plan members have access to board-certified doctors, pediatricians, nurses, licensed therapists and psychiatrists by phone or video, 24/7. Virtual visits are safe, convenient and often cost less than urgent care visits or a visit to your primary care physician's office.

### Teladoc Anytime, Anywhere Care for Blue Cross of Idaho Medical Plan Members

Teladoc doctors, counselors and providers are available to help you and your family feel better while traveling, at work or at home. They can resolve many of your non-emergency concerns via phone or video consultation.

## Same Coverage Applies

Certain healthcare providers offer virtual visits as part of their clinical practice. If you have an appointment with your primary care physician or another member of your care team by phone or video, that visit is covered under the medical plan just like an in-person visit, subject to your standard copay or coinsurance and deductible.

## Get Started with Teladoc

You have three ways to set up a Teladoc account:

1. Go to [Teladoc.com](https://www.teladoc.com)
2. Download the Teladoc mobile app from the [App Store](#) or [Google Play](#)
3. Call 800-TELADOC (835-2362)

Teladoc Care	Description	EPO You Pay	HSA You Pay	PPO You Pay
<b>General Medical</b> Full cost: \$55 per visit (See how much of this full cost you pay at right.)	Talk to a doctor 24/7 for non-emergency conditions such as flu, cold, allergies, sore throat and more.	\$20 per visit	You pay the full cost until meeting the deductible, then \$20 per visit	\$20 per visit
<b>Mental/Emotional Health</b> Full cost: <ul style="list-style-type: none"> <li>• Psychiatry: \$220/initial visit</li> <li>• Psychiatry: \$100/ongoing visit</li> <li>• Therapy: \$90/ongoing visit</li> </ul> (See how much of this full cost you pay at right.)	Talk to a therapist or psychiatrist of your choice, 7 days a week from anywhere for stress, anxiety, depression, grief and more.	\$20 per visit	You pay the full cost until meeting the deductible, then \$20 per visit	\$20 per visit
<b>Dermatology</b> Full cost: \$85 per visit (See how much of this full cost you pay at right.)	Upload images and details of a skin issue in the Teladoc app. A dermatologist will review them and provide a treatment plan with 24 hours for acne, psoriasis, rashes, rosacea, eczema, skin infections, moles and skin spots.	\$20 per visit	You pay the full cost until meeting the deductible, then \$20 per visit	\$20 per visit
<b>Nutrition</b> Full cost: \$59 per consult (See how much of this full cost you pay at right.)	Talk to registered dietician for weight management, digestive issues, special diets, food allergies, meal plans and more.	\$20 per visit	You pay the full cost until meeting the deductible, then \$20 per visit	\$20 per visit

## Surgery and Specialty Care Benefits

If you are enrolled in a Blue Cross of Idaho medical plan, you and your dependents have access to several programs that work together to help you make confident decisions around a new diagnosis, surgery, changes in your medication, chronic conditions or you or a family member is diagnosed with cancer.

### 2nd.MD—Expert Second Opinions Made Easy

When receiving a diagnosis, undergoing treatment or preparing for surgery, we all want to feel secure in knowing that we are getting the best care possible. 2nd.MD ensures just that.

With 2nd.MD, you and your covered family members have free access to a second opinion from expert specialists on diagnosis, surgery and/or treatment plans. You can speak directly with an expert via phone or video to learn more about your condition, ensure a correct diagnosis, compare treatment options and be confident the treatment you choose is right for you.

**Note:** You and/or your dependents must be enrolled in a Blue Cross of Idaho medical plan to access 2nd.MD. There is no cost to access this service.

### AccessHope—Leading-edge Cancer Care

If you are enrolled in a Company-sponsored medical plan through Blue Cross of Idaho, you can take advantage of AccessHope, which provides leading-edge cancer expertise for eligible employees and family members\* all at no cost when you access the benefit.

If you or an eligible family member has been diagnosed with cancer, contact AccessHope to access services, including:

- **Cancer support team.** You and your family have telephonic access to compassionate oncology nurses who offer information, empowerment, and support when people need it most.
- **Expert advisory review.** Request a review of your cancer diagnosis and treatment plan from AccessHope's world-renowned National Cancer Institute (NCI)-Designated Comprehensive Cancer Center specialists.

### When You Should Get a Second Opinion Before Surgery

Consider a second opinion when your doctor says you have enough time to gather more information or explore other options besides surgery. Getting a second opinion is a good idea when:

- **You feel like you need more information about your surgery:** It's important to have a full understanding of your procedure and how it will help you get back to feeling better. Do you feel fully briefed on any potential risks? Have your doctor and surgeon taken the time to answer all of your questions? Are you confident that your surgeon can perform the procedure? If you're not sure you're making the best choice, seek a second opinion.
- **Your doctor doesn't specialize in your type of surgery:** If your doctor or surgeon doesn't have as much experience with your recommended procedure, a second opinion from another doctor or surgeon can help clarify your treatment plan.
- **You're told surgery is your only option:** In some cases, there may be less invasive or noninvasive solutions to consider as part of your treatment plan.

**NOTE:** Your or your doctor must get most surgeries pre-authorized by Blue Cross of Idaho. Call the number on the back of your medical ID card for more information.

\* Eligible family members include spouse/domestic partner, children (under and over age 26), parents, parents-in-law, grandparents, grandparents-in-law and siblings.

## 2nd.MD and AccessHope Benefits At-a-Glance

2nd.MD		AccessHope	
Get an expert second opinion on any medical diagnosis or treatment plan—at no cost to you. 2nd.MD can also help you find specialists and get expert answers to your questions.		Get leading-edge cancer expertise from AccessHope when you or a family member is diagnosed with cancer at no cost to you.	
Reasons to Contact			
New diagnosis	Change in medication	Get a proper diagnosis	Dealing with emotional impact
Possible surgery	Chronic conditions	Help navigating treatment options	Help family members cope

## Transcarent Surgery Care (formerly BridgeHealth)

For members enrolled in a Blue Cross of Idaho medical plan, when surgery is recommended by 2nd.MD or AccessHope, they will coordinate with Transcarent top-rated facilities for non-emergency surgeries. When you choose to use Transcarent’s top-rated facilities for non-emergency surgeries, you will save money\* while receiving top-quality care with low complication, infection and readmission rates. In addition to covering the cost of surgery, travel benefits for you and a companion may be available when you need to travel more than 100 miles for care.

### Transcarent Surgery Care At-a-Glance

## Access a Blue Distinction+ Center for Organ Transplants

If your doctor or specialist recommends an organ transplant (except kidney), access a Blue Distinction+ Center of Excellence which specializes in complex transplant surgeries. Call Blue Cross of Idaho at the number on the back of your medical ID card for more information.

# United Diabetes Management Program

**If you are diabetic, you may be eligible to enroll in the United Diabetes Management Program.**

Participation in the United Diabetes Management Program involves seven monthly visits with a United Wellness Pharmacist who is specially trained in diabetes medication management. Your pharmacist and physician will work together to evaluate your progress, maximize therapy and improve your health.

Each monthly visit will include a logbook review of your blood sugar values. If you do not currently test your sugar, your pharmacist will help you obtain a blood glucose meter and testing supplies. Fasting lab work measuring A1C, blood pressure and cholesterol will be done at visits one, four and seven. A Wellness Pharmacist will report all test results to your doctor's office, along with suggestions to optimize your therapy.

Medication changes will only be made with approval from your physician. By taking part in this program, you (or eligible family members) can obtain certain generic blood pressure medications, generic cholesterol-lowering drugs such as statins and generic oral diabetes medications from an

established list at no cost. The program also includes 100 percent coverage for diabetes supplies (syringes, lancets, pen needles and test strips) for a 30-day supply at a time.

The monthly appointments are required to stay in the Diabetes Management Program. You may even be eligible to continue monthly or quarterly visits after completing the program. Blue Cross of Idaho will pay for your services as part of your benefits—no out-of-pocket costs to you. We look forward to working together to improve your health!

To enroll in the United Diabetes Management Program, please contact the pharmacy call center at **(844) 778-2083**.

**PLEASE NOTE:** For your first visit, please bring your blood glucose meter, testing supplies, logbook, medications, and remember to fast for at least 10 hours. Drinking water while fasting is encouraged.

# SmartShopper®

## Save Money on Medical Procedures

Save money and earn cash rewards\* with SmartShopper® simply by shopping for the healthcare you need. When you need certain medical services or tests, our experts can help you choose a high-quality location for care. Once your procedure is complete and your claim is paid, if you are eligible, a reward check will be mailed to you.

SmartShopper® can help you:

- Compare costs and quality for numerous common medical procedures
- Use the information provided to help you estimate out-of-pocket costs
- Earn cash\* while shopping for care
- Save money and make the most efficient use of your healthcare benefits

\* Cash rewards are funded by your employer (and distributed by SmartShopper®), are a taxable form of income, and are subject to applicable tax and wage withholding requirements.

## Shop

When your doctor recommends a medical test, service, or procedure, call **(866) 507-3528** to speak to a SmartShopper® personal assistant or visit [members.bcidaho.com](https://members.bcidaho.com) to shop for a lower-cost, high-quality option in your area.

## Select

Select the location of your choice with a cash-back option listed. The reward is limited to designated network providers who can perform the requested procedure. (Remember, some services require pre-authorization before you have the service performed. Call Blue Cross of Idaho to see if your procedure requires pre-authorization.)

## Earn

Once your SmartShopper® eligible procedure is complete at an eligible location and your claim is paid, a reward check is mailed to your home within 4-6 weeks. No forms. No hassles. It's that easy.

# Dental

You have three dental plan options: Delta Dental Basic, Delta Dental Enhanced and Delta Dental Enhanced Plus. Delta Dental is the dental claims administrator for all three options.

## Dental Options and Rates

Network*	Delta Dental Basic			Delta Dental Enhanced			Delta Dental Enhanced Plus		
	PPO	Premier	Out-of-Network	PPO	Premier	Out-of-Network	PPO	Premier	Out-of-Network

**Ask alex**

Trying to decide which dental plan option to choose? Talk to ALEX and get a personal recommendation based on your needs and your budget. See [page 3](#) for more on ALEX.

# Vision

Vision coverage is offered through VSP. You can see any provider, but if you see an out-of-network provider, the plan will reimburse you up to a certain amount. The **Premier Plan** includes a higher allowance for frames and contacts. You can also receive frames every 12 months with the **Premier Plan** instead of every 24 months with the **Standard Plan**.

Plan participants are eligible for a variety of savings through VSP, including discounts on additional pairs of eyeglasses, sunglasses and LASIK surgery.

	Standard Plan	Premier Plan
<b>Preventive exam</b>	\$20 every 12 months	\$20 every 12 months
<b>Prescription glasses</b>	\$15 copay	\$15 copay
<b>Frames allowance</b>	\$155 20% savings on the amount of allowance	\$200 20% savings on the amount of allowance
<b>Frames frequency</b>	Every 24 months	Every 12 months
<b>Lens type</b> Every 12 months	Single vision, lined bifocal, lined trifocal, standard progressive lenses, impact-resistant lenses for dependent children	Standard plan lens coverage + Tints and photochromic
<b>Contacts allowance*</b> (instead of glasses) Every 12 months	\$145 allowance for contact lenses and contact lens fitting and evaluation exam. Copay does not apply.	\$175 allowance for contact lenses; copay does not apply.  Contact lens fitting and evaluation exam covered in full with a not to exceed \$60 copay.

\* Contact lens exam includes fitting and evaluation.

## Ask alex

### Need to find a VSP vision provider?

Contact VSP at [www.vsp.com](http://www.vsp.com)  
or call **800-877-7195**

Trying to decide whether the Standard Plan or Premier Plan is right for you? Talk to ALEX to discuss your options and get a personal recommendation based on your needs and your budget. See [page 3](#) for step-by-step instructions to get started with ALEX.

## VSP KidsCare Plan

Included with both vision plans — provides children with two eye exams, one pair of glasses and replacement lenses once per year.

Employee + Child(ren)	\$2.52	\$4.10
Employee + Family	\$4.03	\$6.54

# Tax Savings Accounts

Your money with superpowers

# Health Savings Account

## The Benefits of an HSA

If you enroll in the HSA Plan, you may be eligible to contribute to a Health Savings Account (HSA). An HSA has several advantages:

**Tax savings**<sup>1</sup>: Money you contribute to your HSA has a triple tax advantage: it goes in tax-free, comes out tax-free (as long as you use it to pay for eligible healthcare expenses), and grows tax-free: you can invest it in mutual funds (no minimum account balance required), just like you do in a 401(k), and any earnings are tax-free.

**Flexibility.** It's up to you how much to contribute (up to IRS limits) and when you want to use the money in your HSA. You can use it to pay for eligible healthcare expenses now or in the future — including in retirement. Money you don't spend by year-end stays in your HSA and rolls over year to year, just like a regular savings account, and continues to build with interest. There's no "use it or lose it" rule.

**Ownership.** Your HSA is yours to keep, even if you later decide to enroll in a medical plan without an HSA or if you leave Albertsons or retire. You can continue to use it to pay healthcare expenses now or in the future. You always own 100% of your HSA.

<sup>1</sup> Contributions are exempt from federal and state income tax and Social Security tax in all states except California and New Jersey, where state income tax applies. Earnings on investments are generally tax-free. Use of HSA funds is tax-free as long as you use the account for qualified healthcare expenses — see [IRS Publication 969](#).

## HSA Eligibility

To contribute to an HSA, the IRS requires you to meet certain eligibility criteria:

- You must be enrolled in the HSA Plan.
- You cannot be enrolled in Medicare, Tricare or in any other non-high-deductible health plan (such as your spouse or domestic partner's health plan).
- You cannot be participating in a general purpose FSA, including one through your spouse's employer.
- You cannot be claimed as a dependent on another person's tax return.

**Note:** If your HSA eligibility changes during 2023, you are responsible for stopping your HSA contributions for the remainder of the year by accessing the online enrollment system.

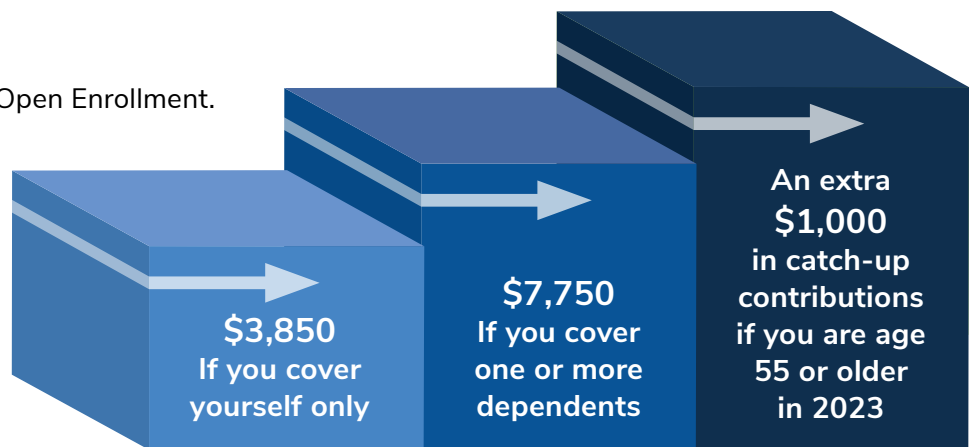

## Ask alex

Wondering how a health savings account (HSA) works, and what it can be used for? ALEX can explain how an HSA works and how it can save you money when you use your HSA for eligible expenses. See [page 3](#) to start a conversation with ALEX.

## Grow Your HSA

Elect your HSA contributions during Open Enrollment.  
Keep the IRS<sup>1</sup> annual limits in mind.  
In 2023, you can contribute up to:

1. If you contribute additional funds to your HSA outside of Albertsons payroll deductions and/or your spouse contributes to an HSA, your combined contributions cannot exceed the IRS limit.

## Use Your HSA for the Everyday

You can use your HSA for your own healthcare expenses and those of your qualified tax dependents (such as your spouse and your eligible children up to age 19, or age 24 if a full-time student), even if they're not enrolled in an Albertsons medical plan.

**Medical deductibles and expenses**

**Prescription drugs**

**Office visit copays and coinsurance**

**Over-the-counter supplies such as bandages and contact lens solution**

**Dental deductibles and eligible expenses**

**Vision expenses such as eye exams, glasses and contacts.**

## Fidelity is the HSA Administrator

If you enroll in the HSA Plan for medical and set up an HSA contribution amount at the time of enrollment, you will receive an email from Fidelity with instructions on how to activate your HSA on the Fidelity website or on the Fidelity mobile app.

# Flexible Spending Accounts

Flexible Spending Account (FSA) partner—Navia Benefit Solutions—offers a great program and a mobile app, MyNavia, to help you manage your FSA benefits. When registering online, enter the company code: **UNF**.

## Healthcare FSA

Participating in the FSA has two major advantages.

1. The federal government takes about 30% of each dollar you earn in taxes. You take home 70% of your check. When you use an FSA, you set aside money before it is taxed, so you spend the entire 100% of your earned income on your health expenses. You take home more money.
2. Your annual election amount is evenly deducted pre-tax from your paycheck throughout the year. But, you have access to the full amount elected on your benefits effective date. Why is this important? Many healthcare providers require money upfront before services are performed. You have access to your money to help pay for your deductible expenses, out-of-pocket expenses, prescriptions, dental expenses and other expenses that are not cosmetic in nature.

When determining the amount of your deductions, it is important to estimate your future healthcare expenses. Be careful to only contribute to the plan for expenses that you know you will have between January 1 and December 31. If you contribute to the plan and do not have eligible expenses that are incurred between your benefits effective date and December 31, 2023, you lose the money you contributed. However, The United Family plan offers a carryover feature for unused FSA contributions of up to \$550, and any unused health FSA funds will carry over to the January 2024 Plan Year, as long as you enroll. You cannot change your annual election amount after the plan starts unless you have a qualified change in status.

Healthcare Flexible Spending Account	
<b>Annual Maximum Contribution</b>	Up to \$2,850 in 2023.
<b>Eligible Expenses</b>	Medical, dental and vision care expenses not paid by your health insurance and on the IRS list of approved expenses.
<b>If You Don't Use It</b>	Unused funds contributed to a healthcare FSA in 2023 of up to \$570 can be carried over to 2024 if you enroll in a healthcare FSA in 2024.

Navia offers a Navia Benefits debit card so you can pay a provider directly for qualified health expenses. Be sure to hang on to your receipts in case you have to verify the expense eligibility. If you need to provide a receipt to Navia, you will get an alert on your mobile app or a reminder email.

## IRS and HSAs

IRS rules do not allow you to contribute to a healthcare FSA if you or your spouse are contributing to a health savings account (HSA). If you enroll in the HSA Plan and are contributing to a health savings account, you cannot contribute to a healthcare FSA.

## Dependent Day Care FSA

Child care can be one of the single largest expenses for a family with children. A Dependent Day Care FSA can be used to pay for your qualified daycare expenses with pre-tax dollars which can save you money. Expenses must be for your dependent children 14 and under, and in some cases elder care, and must be enabling you to work, actively look for work or be a full-time student. Common eligible expenses are child care, preschool, before and after school care, and day camps. Expenses for school tuition and overnight camps are not eligible. The carryover feature does not apply to unused Dependent Day Care FSA funds. You cannot change your annual election amount after the plan starts unless you have a qualifying life event.

Dependent Day Care FSA	
<b>Annual Maximum Contribution</b>	Up to \$5,000 in 2022 per married couple filing jointly (\$2,500 max for married, filing separately). <b>Note:</b> For highly compensated Team Members, the contribution limit may be lower.
<b>Eligible Expenses</b>	Dependent day care expenses that make it possible for you to work.
<b>If You Don't Use It</b>	Any unused funds contributed to a dependent day care FSA in 2023 are forfeited at the end of the 2023 calendar year.

## How to Access FSA Funds

- For qualified health expenses, you can pay a provider directly with your Navia Benefits debit card.
- You can submit a Healthcare or Dependent Day Care claim through your smartphone app or online at [naviabenefits.com](https://naviabenefits.com).
- Claim forms can be printed at [UnitedFamilyBenefits.com](https://UnitedFamilyBenefits.com) and faxed or submitted via US Postal Service.
- You can sign up for **FlexConnect**, a feature that connects your FSA to your insurance plans and seamlessly creates a claim with the proper documentation directly for the insurance carrier. Go to [naviabenefits.com](https://naviabenefits.com) for additional information.

Ask alex®

Ever wondered how flexible spending accounts (FSAs) work, and what they can be used for? ALEX can explain FSA basics and how they can save you money when you use them for eligible expenses. See [page 3](#) to start a conversation with ALEX.

# The ABCs of HSAs and FSAs

## Understanding the difference between the Health Savings Account (HSA) and flexible spending accounts (FSAs)

They may sound alike — and they both help you save money on your taxes — but each account has its own eligibility requirements, features and advantages, as outlined below.

Account Feature	HSA	Healthcare FSA	Dependent Day Care FSA
	These accounts are for healthcare expenses.		
<b>Who can contribute?</b>	Benefits-eligible Team Members enrolled in a high-deductible medical option (unless Medicare-enrolled) <sup>1</sup>	Benefits-eligible Team Members NOT enrolled in a high-deductible medical option	Benefits-eligible Team Members
<b>What are the 2023 contribution limits?</b>	Up to \$3,850 for individuals; \$7,750 for families	Up to \$2,850	Up to \$5,000 (up to \$2,500 if married and filing separately)
<b>Can I make catch-up contributions?</b>	Yes, up to an additional \$1,000 per year if age 55 or older in 2023	No	No
<b>When can I change my contributions?</b>	Anytime	Only during Annual Enrollment or within 31 days of a qualifying life event	Only during Annual Enrollment or within 31 days of a qualifying life event
<b>What types of expenses are eligible?</b>	Medical, prescription drug, dental and vision deductibles, copays and coinsurance <sup>2</sup>	Medical, prescription drug, dental and vision deductibles, copays and coinsurance	Child and adult care so you (and your spouse/domestic partner) can work or go to school
<b>Can I use my account for any other expenses?</b>	Yes, but funds become taxable, plus you pay an additional 20% penalty	No	No
<b>Is there a debit card?</b>	Yes	Yes	No
<b>When can I begin using my account funds?</b>	As soon as they are in your account	The first day of the plan year, up to your annual election amount	As soon as they are in your account
<b>Will my balance roll over to next year?</b>	Yes	You can carry over up to \$570 of funds left in your Healthcare FSA in at the end of 2023 to 2024	No
<b>Can I invest my account?</b>	Yes, once your balance reaches \$1,000; any earnings are tax-free, if used for eligible expenses	No	No
<b>Can I take my account with me if I leave Albertsons?</b>	Yes	No, unless eligible for continuation through COBRA	No

1) You cannot contribute to an HSA if you are enrolled in another medical plan (even a spouse's/domestic partner's plan) that is not a high-deductible medical plan, enrolled in any part of Medicare, enrolled in a health care FSA (or your spouse's/domestic partner's health care FSA) or claimed as a dependent on someone else's federal income tax return.

2) In addition to eligible health care expenses, HSA funds can be used tax-free to pay for retiree health insurance premiums (except Medicare supplement plans).

## Evidence of Insurability (EOI)

Evidence of Insurability (EOI) is a medical questionnaire used by life insurance companies to determine approval for life insurance. During your initial enrollment as a newly Full-Time Team Member, guaranteed initial amounts (as defined in the table above) are not subjected to an EOI. If you do not enroll during your initial enrollment period and choose to enroll at a later date, an EOI must be completed. The Hartford will send you an EOI form to complete. Any health information or reason for denial will not be shared with United Supermarkets.

## MetLife Auto & Home Insurance

MetLife provides special group discounts on auto and home insurance through payroll deduction. There are many policies available including renter's insurance, condo, motorcycle and RV coverage. You can save with a discount for years of service with The United Family, being a good driver and if you have multiple policies. MetLife provides excellent benefits such as replacement price if your new car is totaled within the first year or up to 15,000 miles (whichever comes first). If your tires, battery or shocks are damaged in an accident, you get brand-new parts, with no deduction for depreciation.

Team Members must have one year of full-time service to enjoy the MetLife special savings. Get a free price quote by calling **(800) GET-MET 8** or **(800) 438-6388**.

## Choose Your Beneficiaries

It's important to designate beneficiaries to ensure your life insurance benefits go to the people you want if something were to happen to you. Access the online enrollment system to add or change your beneficiaries. Go to [UnitedFamilyBenefits.com](https://UnitedFamilyBenefits.com), then follow the instructions link on the homepage in order to login.

# Disability Insurance

Disability insurance ensures that you have a financial safety net in place should you become unable to work. Short-term disability insurance is paid by Albertsons. You pay the cost for long-term disability insurance if you elect this coverage.

	Short-Term Disability	Long-Term Disability
<b>Benefit Amount</b>	Following elimination period, 100% of eligible pay for 6 weeks; 60% of eligible pay for 19 additional weeks	60% of base pay + bonus up to \$25,000 per month
<b>Benefits Begin</b>	After 7-day elimination period	After a 180-day elimination period
<b>Benefits Period</b>	Maximum of 26 weeks (including elimination period)	Benefits continue until <ul style="list-style-type: none"><li>• You are no longer considered disabled; or</li><li>• Social Security Normal Retirement Age</li></ul>
<b>Who Pays for Coverage?</b>	United	You if you elect this coverage

## Evidence of Insurability for Long-Term Disability Insurance

If you did not enroll in long-term disability coverage when you first became eligible, you will be asked to provide evidence of insurability (EOI). Coverage will not take effect until the insurance company has reviewed and approved your completed EOI.

## Voluntary Plans

For an additional layer of financial protection, you can enroll in accident, critical illness and hospital indemnity insurance. You do not need to be enrolled in a Company-sponsored medical plan, and these plans do not replace your medical insurance — they supplement it. Coverage is available for you, your spouse/domestic partner and your children.

	<b>Accident Insurance</b> UnumProvident Corporation	<b>Critical Illness Insurance</b> Aflac	<b>Hospital Indemnity Insurance</b> Aflac
<b>How It Protects You</b>	Provides financial support if you or a covered family member suffers an injury or death due to an accident	Provides financial support if you or a covered family member becomes seriously ill	Provides support if you or a covered family member needs to be hospitalized
<b>Covered Events</b>	<ul style="list-style-type: none"> <li>• Fractures</li> <li>• Dislocations</li> <li>• Burns</li> <li>• Eye injuries</li> <li>• Lacerations</li> <li>• Coma</li> </ul>	<ul style="list-style-type: none"> <li>• Cancer</li> <li>• Heart attack</li> <li>• Stroke</li> <li>• Kidney failure</li> <li>• Coronary artery bypass surgery</li> <li>• Major organ transplant</li> </ul>	<ul style="list-style-type: none"> <li>• Hospital admission and stays</li> <li>• ICU confinement</li> </ul>
<b>What You Receive</b>	Amount depends on the injury and level of care you need	A percentage of the elected face amount. Options available are \$5,000, \$10,000, \$20,000, \$30,000	Amount depends on the event. A flat amount is usually paid for a hospital admission (\$1,000) and a per-day amount (\$150) for your entire hospital stay
<b>Contact Information</b>	UnumProvident Corporation <a href="http://unum.com">unum.com</a> (800) 635-5597	Aflac <a href="http://aflacgroupins.com">aflacgroupins.com</a> (800) 433-3036	Aflac <a href="http://aflacgroupins.com">aflacgroupins.com</a> (800) 433-3036

## What You Can Use the Money For

You can use the cash benefit paid to you in each plan however you wish. Common expenses include:

- Deductibles and copays
- Treatments and services not covered by your medical plan
- Out-of-network coverage
- Gas, groceries, bills, mortgage/rent payments and other living expenses

## Not a Replacement for Medical Coverage

These plans have limitations and exclusions, and they DO NOT replace your medical plan. For more information, go to [UnitedFamilyBenefits.com](http://UnitedFamilyBenefits.com).

## Pet Benefits

### MetLife Pet Insurance

You can't always prevent your pet's accidents or illnesses, but you can prepare for them. MetLife pet insurance makes it easy and affordable to get your furry friends covered. Get a 10% discount as a United Team Member and take advantage of benefits like:

- **A plan for every budget.** Customize your deductible, reimbursement percentage and annual coverage limit for your dog or cat to fit your financial needs.
- **Visit any vet.** Stay with your trusted vet, or visit a new vet, specialist or emergency facility in the U.S.
- **Easy claims submission 24/7.** MetLife's pet mobile app makes it easy to submit and track claims and manage your pet's health and wellness. Claims can also be filed on the MetLife MyBenefits web portal.
- **Optional preventive care coverage.** You can save money on routine vet services your pet should receive each year to stay healthy.
- **Access to additional discounts and offers on pet care.** (May not be available in all states.)

### Get a Quote for Pet Insurance or Enroll Today

Visit [www.metlife.com/albertsons](http://www.metlife.com/albertsons).

Call **1-800-GET-MET8**

Voluntary pet insurance is available to all Albertsons Team Members. You can enroll directly through MetLife and pay monthly premiums via debit or credit card. This voluntary benefit does not offer premium payment through payroll deduction.

### Fuzzy Veterinary Telehealth Service

With Fuzzy veterinary telehealth service<sup>5</sup>, you can access round-the-clock care, exclusive discounts and free shipping on vet-approved products. Albertsons Companies Team Members can sign up for a FREE annual membership (regularly \$99) with unlimited veterinary telehealth visits for your pets. With Fuzzy you can:

- Talk with a vet via chat or video 24/7.
- Access telehealth services for all of your dogs and cats.
- Refill your pets' prescriptions without another vet trip.
- Sync records and track vaccines from the Fuzzy mobile app.
- Receive a \$20 credit on products purchased on [fuzzy.com](http://fuzzy.com).
- Learn from vets with the Fuzzy Academy.

### Sign Up for Fuzzy with FREE First-Year Membership

Visit [www.fuzzy.com/aciemployeeoffer](http://www.fuzzy.com/aciemployeeoffer).

Fuzzy voluntary veterinary telehealth service is available to all United Team Members. You can enroll directly on the Fuzzy website or the Fuzzy mobile app. Free annual membership for United Team Members is available for the first year, for new subscribers only.

# Retirement

Plan for an amazing future

## 401(k) Plan

The 401(k) Plan is a great place to start building long-term financial security.

### Eligibility

You are immediately eligible to participate in the Plan if you are at least 21 years of age and part of an eligible group of Team Members as defined by the Plan. Refer to the Summary Plan Description for detailed information.

### Your Contributions

You can contribute from 1% to 75% of your eligible pay as pre-tax or Roth contributions, or a combination, up to the annual IRS dollar limits.

A Roth contribution to your Plan allows you to make after-tax contributions and take any Team Member earnings completely tax-free at retirement, if the distribution is a qualified one. A qualified distribution, in this case, is one that is taken at least five tax years after your first Roth 401(k) contribution and after you have attained age 59 1/2, or become disabled or die.

The maximum contribution you can make to your 401(k) Plan in 2023 is \$22,500.

If you have reached age 50 or will reach 50 during the calendar year Jan. 1 - Dec. 31, 2023, you may make an additional \$7,500 "catch-up" contribution in 2023.

## How to Enroll

You can enroll on Fidelity NetBenefits® at [netbenefits.com](https://netbenefits.com) or call a Fidelity representative at 866-956-3433. To use the EasyEnroll feature and enroll in the Plan in just 60 seconds, go to [netbenefits.com/easy](https://netbenefits.com/easy).

## Discretionary Company Matching Contribution

The United Family may make an annual discretionary contribution to your Plan account. You may receive a percentage of each dollar you contribute up to 7% of eligible pay. Details are provided each year.

You are eligible to receive the matching contribution after completing 1000 hours of service as of your one-year anniversary or as of the end of the next plan year. You must also be employed at the end of each plan year. Some exceptions apply; refer to the Summary Plan Description (SPD) for details.

**Only contributions made AFTER meeting match requirements are eligible to receive a match contribution.**

Team Members covered under a collective bargaining agreement may be subject to an alternative matching contribution formula. Please see your union representative for details.

## Vesting

Vesting means you gradually gain a percentage of the Company's contributions to your account (see table below). The money you contribute is always 100 percent yours, but you must be fully vested to claim all the Company's contributions. Refer to the Summary Plan Description for detailed information.

Years of Service	Percentage Vested
0-2	0%
2	50%
3 or more	100%

## Investments

You can select a mix of investment options that best suit your goals, time horizon, and risk tolerance. Descriptions of the Plan's investment options and their performance are available online at [netbenefits.com](https://netbenefits.com).

## Discretionary Matching Contribution Example

John is 34 years old and was hired on July 8, 2020, with a \$65,000 annual salary. John worked more than 1,000 hours by his first anniversary making his 401(k) plan contributions after July 8, 2021, eligible for a discretionary Company match. The discretionary Company match for 2021 is 50% of the first 7% of annual eligible earnings a Team Member contributes to the 401(k) plan once they meet eligibility requirements.

### STEP 1

John starts contributing to the 401(k)

Starting the first week in January 2021, John contributes 10% of his weekly earnings (\$125) to the 401(k) plan.

### STEP 2

John became eligible for discretionary match contribution

John became eligible for a discretionary Company match contribution on July 8, 2021.

### STEP 3

Week remaining in first year of eligibility for match

There are 25 weeks remaining in 2021 that are eligible for a Company match. The discretionary match contribution is based on John's earnings and 401(k) contributions **after** meeting the match eligibility requirement.

### STEP 4

John's Company match contribution calculation

The contributions John made after July 8, 2021 are eligible for the Company match.

- $\$65,000 / 52 = \$1,250$  weekly earnings
- $\$1,250 \times 25 \text{ weeks} = \$31,250$  (John's eligible earnings)
- $7\% \text{ of } \$31,250 = \$2,187.50$
- $\$2,187.50 \times 50\% = \$1,093.75$  Company match contribution

### STEP 5

John's total saved in the 401(k) in 2021

- $\$125 \times 52 = \$6,500$  John's 401(k) contribution
- $\$1,093.75$  Company match contribution
- $\$6,500 + \$1,093.75 = \$7,593.75$

# Work-Life

Balancing your personal and professional lives

## Employee Assistance Program (EAP)

Life can be challenging at times. The Employee Assistance Program (EAP) is here to help. You and your family members can get up to three confidential counseling sessions by phone or in person per issue per year — for free through the EAP.

### Who Is Eligible?

The EAP is available to all benefits-eligible Team Members and their household members.

### Why Is the EAP Important?

We can all use some help from time to time. You may have supportive friends and family, but an objective, trained support professional can often provide the kind of unbiased assistance your loved ones can't. A confidential conversation with the right person can be just what you need to start feeling better.

### Highlights

- Assistance with mental health issues, stress management, work-life balance, financial and legal matters, and more.
- Convenient, reliable support that's completely confidential.
- Get referrals to resources and services to help you manage everyday tasks and simplify your life.

The EAP is provided through ComPsych EAP. EAP counselors are trained support professionals and are available 24/7.

The Guidance Resources website provides information, tools and support.

## Contact the EAP

- EAP website: [guidanceresources.com](https://www.guidanceresources.com)  
Company code: ALBERTSONSCOMPANIES
- Telephone: 877-294-3271

## myStrength — Evidence-Based Programs for Emotional Support

myStrength's web and mobile tools address topics such as depression, anxiety, stress, managing chronic pain, alcohol and drug recovery, nicotine recovery, pregnancy and early parenting, relationships, grief, suicide, caregiving, physical fitness, healthy eating and more.

### myStrength Delivers Support Designed Specifically for You

- Personalized plan to start getting support, customized to your preferences
- Recommended activities and content based on your ongoing needs
- 24/7 access online or via our mobile app

After you have set up your account on the myStrength website and completed the myStrength assessment, download the myStrength by Teladoc Health app from the [App Store](#) or [Google Play](#).

**Need help?** Call Member Support at 800-945-4355.

## Live Your Healthiest Life

Get free, confidential mental health support through myStrength.

## Get Started with myStrength

- 1) Go to <https://mystrength.com/join>.
- 2) Click Join Now and fill in your name and date of birth and check the box to accept the Terms of Service. NOTE: myStrength and Livongo are subsidiaries of Teladoc Health and you might see references to Livongo and Teladoc Health throughout the registration process.
- 3) Follow the prompts, then add your email address and a password.
- 4) For registration code, use **ALBERTSONSCOMPANIES**. Then, follow the prompts to finish setting your account.
- 5) Complete the myStrength assessment.

## RethinkCare — Help for Learning, Social and Behavioral Challenges

RethinkCare is a first-of-its-kind program that supports parents and caregivers of children with learning, social or developmental disabilities by helping them with skill building, care coordination and positive reinforcement. The program is provided at no cost to benefits-eligible Team Members when they access the benefit.

Parents can take advantage of live tele-consultation with behavioral health experts to answer questions and provide guidance. Tele-consultations can take place over the phone or via video chat, day or night, weekday or weekend. Common tele-consultation topics include:

- Teaching new skills
- Addressing problem behaviors at home
- Troubleshooting lack of progress
- Collaborating with school and other providers
- Coping with the stress of a new diagnosis or ongoing daily struggles at home
- Getting the most out of the Rethink platform

All consultations are confidential and HIPAA compliant. More information about RethinkCare is available at [UnitedFamilyBenefits.com](https://www.unitedfamilybenefits.com).

### Get Started with RethinkCare

- 1) Go to [connect.rethinkcare.com/sponsor/albertsons](https://connect.rethinkcare.com/sponsor/albertsons).
- 2) Select your region.
- 3) Enter your state, email, first and last name and how you heard about the program.
- 4) Create a password and enter authorization code **AlbertsonsCompanies**.

#### Have questions or need assistance?

Call 800-714-9285

## United We Care

United We Care is a special emergency fund created to assist Team Members when unexpected serious events occur — such as sudden medical costs, accidents, or traumatic events.

As a Team Member, you have the opportunity to donate \$1 or more out of your paycheck every week. This is an amount that you will hardly miss, but enough to make a huge difference in someone's life. Because United We Care is a non-profit, your donations are tax deductible.

To apply for assistance, you must be a United Family Team Member for at least 6 months. For questions, or to request an application, you may call the Program Manager at **(888) 791-0220**.

## Purchasing Power

Through Purchasing Power, you may purchase brand-name computers, TVs and video equipment, electronics, home appliances, fitness equipment, furniture and other items through the ease of payroll deduction. With no credit check, no down payment and a 12-month payment plan, buying life-enhancing products is simple and economical.

To make purchases, you must have one year of full-time service, be at least 18 years of age and earn an annual salary of at least \$16,000. You must also have a bank account or credit card to be used in case of non-payment by payroll deduction.

Steps to utilizing Purchasing Power as a United Team Member:

Go to: [www.purchasingpower.com](http://www.purchasingpower.com) | Create an Online Profile | Use Group Code: **USM2237**

View Catalog | Select Items to Buy | Purchase Items

Items Deliver to Your Home | Payments Drawn From Your Paycheck

Contact Purchasing Power's customer service team at **(888) 923-6236** for 24-hour web support.

## College Savings Plan

United College Savings Plan allows Team Members to contribute weekly through payroll deduction to a savings account intended for furthering their education. The United Family matches contributions up to \$1,000 a year. Team Members will be 100% vested after one year of continuous service. To learn more and apply today, contact Talent Management at **(888) 791-0220**.

## Team Perks

Receive a discount on store brand products, bakery, floral items (where available), food service items and Starbucks, as well as stay up to date with the latest news! Sign up with Team Perks on Uconnect with your Rewards account to receive your Team Member discount and great information via text and/or email.

- Sign up with Rewards at [theunitedfamily.com/rewards](http://theunitedfamily.com/rewards).
- Log in to Uconnect at [uconnect.unitedtexas.com](http://uconnect.unitedtexas.com).
- Click on the **Team Perks icon** to start your enrollment.

# Legal Notices

# General Notice of COBRA Continuation Coverage Rights

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;

- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

## When Is COBRA Continuation Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Team Member Benefits Department, United Supermarkets. Please complete a “life event” when logging into [www.unitedfamilybenefits.com](http://www.unitedfamilybenefits.com) with the effective date of the event (birth, marriage, divorce, etc.) We need a copy of the birth certificate if adding a baby, or proof of loss of coverage within 60 days if adding a dependent, or a copy of the marriage certificate or divorce decree if applicable. The fax number is **(806) 791-6341**.

# General Notice of Cobra Continuation Coverage Rights (continued)

## How Is COBRA Continuation Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

## Disability Extension of 18-Month Period of COBRA Continuation Coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. Documentation should be sent to the Team Member Benefits Department at 7830 Orlando Ave. or faxed to **(806) 791-6341**. Please contact the Team Member Benefits Department for additional information at **(806) 791-0220**.

## Second Qualifying Event Extension of 18-Month Period of Continuation Coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## Are There Other Coverage Options Besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage.

You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

## If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit [www.HealthCare.gov](http://www.HealthCare.gov).

## Keep Your Plan Informed of Address Changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

## Plan Contact Information

United Supermarkets  
Attn: Benefits Department  
7830 Orlando Ave.  
Lubbock, TX 79423  
(806) 791-0220

## Legal Notices

The following are legal notices The United Family is required to provide:

- Notice of Health Insurance Portability and Accountability Act (HIPAA) Special Enrollment Rights
- Availability of Notice of Privacy Practices
- Women's Health and Cancer Rights Act of 1998

Please review and keep these notices, with your enrollment guide, for reference throughout the year.

Additional legal notices are available online in the enrollment system for review and/or printing, including:

- Medicare Part D Creditable Coverage
- Children's Health Insurance Program (CHIP)

### Notice of Health Insurance Portability & Accountability Act (HIPAA) Special Enrollment Rights

If you do not enroll yourself, your spouse or your dependents when first eligible under The United Family Medical Plan because of other health coverage, you may be eligible to enroll in The United Family Medical Plan without waiting for the next open enrollment.

If the other coverage was COBRA coverage, special enrollment will be available only if the coverage is lost because the COBRA rights are exhausted (but not, for example, if you, your spouse or dependents simply stop paying premiums).

If the other coverage is non-COBRA coverage, special enrollment will be available if the employer sponsoring the other coverage stops contributing towards that coverage, or if coverage ends because of a loss of eligibility (by, for example, legal separation, divorce or loss of dependent status). Losing coverage for other reasons, including failure to pay premiums and for cause, such as for filing a false claim for benefits, will not entitle you to special enrollment.

Special enrollment must be requested within 60 days after your, your spouse's or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you are participating in The United Family Medical Plan and during the year you acquire a new dependent by birth, marriage, adoption, or placement for adoption, your dependent will be eligible for special enrollment.

If you are not participating in the Plan, but are eligible to do so, and during the year you acquire a new dependent by birth, marriage, adoption, or placement for adoption, you, your spouse and your dependents may be eligible for special enrollment. You could enroll without enrolling your spouse and dependent children, or you and your spouse could enroll without enrolling your dependent children. But your spouse or dependent children may not enroll if you do not enroll.

The United Family Medical Plan will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you or your dependent are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP

For these enrollment opportunities, you will have 60 days from the date of the Medicaid/CHIP eligibility change to request enrollment in the plan. Note: This new 60-day extension applies to enrollment opportunities for newborns and adoption. To request special enrollment or to learn more, go to [www.unitedfamilybenefits.com](http://www.unitedfamilybenefits.com), or contact the Benefits Department at (888) 791-0220.

## Availability of Notice of Privacy Practices

As required by regulations under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Albertson's LLC Health & Welfare Plans maintain a Notice of Privacy Practices that describes how the Plans may use and disclose your protected health information and summarizes your rights with respect to that information, including how you may obtain access to it. A copy of the most current notice is posted in the offices of The United Family LLC and is available on the website, [www.unitedfamilybenefits.com](http://www.unitedfamilybenefits.com).

## Women's Health and Cancer Rights Act of 1998

The Women's Health and Cancer Rights Act of 1998 requires all health plans to cover reconstructive surgery following a mastectomy. Your medical plan currently covers reconstructive surgery; however, the law mandates that we provide you with this notice.

## Coverage for Reconstructive Surgery Following Mastectomy

When a covered individual receives benefits for a mastectomy and decides to have breast reconstruction, based on a consultation between the attending physician and the patient, the health plan must cover:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce symmetrical appearance;
- Prostheses; and
- Treatment of physical complications in all stages of mastectomy, including lymphedema.

All applicable benefit provisions still apply, including existing deductibles, copays and/or coinsurance.

If you have any questions about your medical plan, please call the number on your medical I.D. card to speak with a Member Services or Customer Service Representative.
